CAPITAL MANAGEMENT

Merganser regularly invests in Treasury Inflation Protected Securities (TIPS) for many of our traditional portfolios. We also offer solutions that are solely focused on TIPS or combine inflation protected and nominal Treasuries within the same portfolio.

Our investment objective is to exceed the returns of the Barclays 1-10 Year U.S. Treasury Inflation Protected Index over a market cycle.

Please contact John Clavin at [jclavin@merganser.com](mailto:jclavin@merganser.com) or 617-528-4863 for information on our TIPS Plus Strategy.
